Special Policy Publication

- Farooq, Asif B.** and Scott McKnight (co-editors) *Moving Forward: 45 Years of Canada-China Relations*. 2016

I personally spearheaded the policy-oriented project in close cooperation with Joseph Wong (then the Director of the Asian Institute) and David Mulroney (Former Canadian Ambassador to China and Vice-Chancellor of the University of St. Michael’s College, U of T). I was also solely responsible for fundraising, corresponding with the contributors, and planning the launching ceremony with the presence of mainstream media coverage. The publication was distributed to the Canadian foreign affairs officials, Canadian universities, and think tanks. Contributors to the volume include faculty members and PhD students from eight different universities in Canada: Paul Evans, Wendy Dobson, David A. Welch, Lynette H. Ong, Jeremy Paltiel, Pittman Porter, David Dewitt, Pascale Massot, David Zakus, David Mulroney, Joseph Wong, Linting Zhang, Scott McKnight, Karl Yan, Anton Malkin, James Flynn, and Lotus Ruan.
